

GOP Leaders Backing Harris' Natural Gas Bill

WASHINGTON (AP) — The Eisenhower administration today came out in favor of the new Harris-O'Hara natural gas bill, provided a couple of changes are made allowing tighter federal supervision over prices.

Charles H. Kendall, official of Defense Mobilization general counsel, gave the administration view as lead-off witness in House Commerce Committee hearings on the controversial legislation. Chairman Harris (D-Ark.) said he spoke for both the ODM and the Budget Bureau, legislative voice of the White House.

A bill to free gas producers from direct federal price control got through Congress last year but ran into a veto from President Eisenhower. Eisenhower said he approved the general aims of the measure but criticized what he called "arrogant" lobbying tactics in connection with it.

Morrilton Board Fires Superintendent

MORRILTON (AP) — The Morrilton School Board fired veteran Supt. J. L. Boren yesterday and immediately rang down a curtain of silence about the future of Winthrop Rockefeller's aid for a model school system.

The ousting of Boren was an apparent attempt to satisfy administrators of an "enrichment fund" set up by the millionaire, who lives on nearby Petit Jean Mountain.

School officials declined comment on whether they were negotiating with Rockwin Fund administrators for a renewal of aid for the school system here.

The School Board announced yesterday it was buying up Boren's \$14,000 contract for the next two years.

Boren said "people here have been extremely nice to me" and he would stay until June 30. He had no further comment.

Afterwards it was evident school officials had stopped talking to newsmen and were turning to the delicate task of re-weaving the network of school plans for the next five years.

A 2-pronged drive had been under way for a year to give Morrilton completely modern facilities and to improve the curriculum. Rockefeller was to finance a major portion of both the "enrichment" and rebuilding program.

The first hint of trouble in the central Arkansas school district came last Saturday when the Rockwin fund suspended further enrichment funds. Administrators said the district had not made proper use of an initial \$80,000 grant.

School Board Chairman Bob Harris said he inferred that the fund was dissatisfied with Borden. He said he would consult with Rockefeller. The ousting of Borden followed.

In cutting off enrichment grants, the Rockwin fund indicated that the district's 2½ million dollar rebuilding program also might be affected later.

Graduation at Blevins School May 10

H. Z. Snell, budget and finance director of the State Department of Education, will address the Blevins Graduating Class at Commencement, Friday, May 10, at 8 p. m. in the High School Gymnasium.

Blevins High School has twenty-one graduating seniors. Honor graduates are Jantha Don Hampton, Yaliedorham, and Gricia Wortham, Salutatorian.

Members of the graduating class are: Cleo Arnold, Josie Barber, Wayne Bell, Nell Jean Bonds, Louise Clark, Tawalt, Nelda Clark, Jantha Hampton, Patsy Hartsfield, Joan Hicks, Norman Hugg, Gary Huskey, Forrest Hulson, Charles Jones, Leon Long, Ann Nielsen, Florence Parks, John Denton Prescott, Keith Rinehart, Bonita Stone, Gricia Wortham, Justina Worley.

500 Million More on the Tax Books

LITTLE ROCK (AP) — An estimated 500 million dollars worth of property has been added to Arkansas tax rolls since the start of the 1955 reassessment program.

Director W. L. Hinton of the additional property existed all the time but had not been discovered by assessors.

The additional property had an assessed valuation of \$100 millions and produced about five millions in new tax revenues, Hinton said.

He estimated that the state now has a total of 938 millions in assessments compared to 838 millions in 1954 and predicted the rate of increase would continue for "several more years."

A county-by-county report of the Assessment Dept., during the past two years showed that assessments rose in 6 counties and dropped in eight.

The reassessment program is aimed at bringing all property valuations in the state to 20 percent of market value.

Hinton said Columbia County showed the greatest proportionate increase in assessments and Union County also had a large increase.

Counties whose valuations decreased during the period were Benton, Pope, Little River, Newton, Carroll, Grant, Searcy and Sharp.

The reassessment program is aimed at bringing all property valuations in the state to 20 percent of market value.

Hinton said Columbia County showed the greatest proportionate increase in assessments and Union County also had a large increase.

Workers Battle Red River in Louisiana Area

SHEVEPORT, La. (UP) — Emergency workers labored throughout the night to build up levees protecting four Louisiana communities from the surging flood waters of the Red River.

The threat of the towns of East Point, Powhatan, Camp and Clarence all the south of Shreveport — constituted the final effort of a series of floods that pounded the Southwest since Jan. 10, causing an estimated \$57,500,000 damage.

The Red River's crest was expected this afternoon.

At East Point, 30 miles south of Shreveport, about 700 soldiers from Barksdale Air Force base at Shreveport worked all night to build up the levees.

The Red River is comparatively small at normal flow at these points, and the levees were not built high enough to hold the water that is surging down it.

After building the levees up about two feet, workers had to start strengthening them when the floodwaters began to crumble the sides and seep through.

The river was spread three miles across lowlands in places. Around Powhatan, Camp and Clarence, 60,000 acres are under water. An estimated 100,000 acres are covered by floodwater in Louisiana now.

About 200 persons have left their homes in the Powhatan-Camp-Clarence area, and most of the 200 persons in east point moved out their belongings over the weekend.

The U. S. Corps of Engineers in Dallas said total damages in the southwest district of Texas, Louisiana, Arkansas and southern Missouri "as up to now" during April and May was \$57,500,000.

Guernsey School Adds to Library

One of the largest projects of the Guernsey High School for 1956-57 has been the library. Much needed improving of the library interior and repairing of books have been recently completed, announces Arthur Gray, Jr., superintendent.

The interior of the library has been redecorated and additional fixtures have been added. Magazine racks, reference shelves and numerous book shelves have been installed as well as a trophy case. These are a few of the many added fixtures.

The library has subscribed to 21 magazines and newspapers and has purchased approximately 100 new books which were selected from the Wilson's catalogue. Repair work has been completed on 242 books. A new system of lending books has been established and the card catalogue files have been brought up to date.

The high school library has purchased the basic required reference books and offers over 400 reference books for the students' use. A vertical file has been established and is now in operation.

Mrs. Alvin Huckabee, librarian, has organized an active library club. The members of the club are: Janice Melver, Linda Bristow, vice-president; Nina Adams, secretary; Jim Holt, treasurer; Clydell Tillis; Barbara Adams; Cecilia Godwin; Genia Norvell; Jimmy Gray; and Pat Holt.

The duty of these club members is to carry out the lending of books, to make the necessary repairs, to find books for students, and to help in the general functioning of the library.

City Manager Test Suit to High Court

LITTLE ROCK, (UP) — Backers of the city manager plan for municipal government in the capital city are somewhat elated today.

The test suit on the city manager law passed by the 1957 General Assembly made its way into the Supreme Court yesterday.

Attorneys for the Little Rock good government committee said they will file a motion within the next few days asking the court to advance the case on its docket.

The committee yesterday presented the embattled Teamsters Union and its president Dave Beck with a 22-page "indictment" listing charges against Beck and a number of other national and local officers of the trucking union, which claims a 1½ million membership.

The Teamsters were given until May 24 to answer the counts or show the recognize union misdeeds and intend to clean them up.

The charges involved in the Baker Workers case are less spectacular than those against the Teamsters.

Curtis R. Sims, the Bakers secretary-treasurer as accused the union president, James C. Cross, of misuse of union funds. Sims made similar accusations against George Stuart, a vice president who has since resigned.

Both denied the charges, and the union's board suspended Sims. In the factional alignment that followed, Herman Winter, president emeritus of the Bakers organization, sided with Cross.

Sims said last month he understood Cross was repaying to the union some \$2,500 for personal telephone calls to a girl friend and that he also was returning to the union "three embarrassing Cadillac cars."

Cross replied through a spokesman that although there was nothing improper "in my use of the telephone or in accepting an automobile gift," he was paying for the phone calls and returning the car.

Couple Escape Prison to Give Child Chance

SAN FRANCISCO (UP) — A couple who escaped from Kansas State prison after conceiving a child behind prison walls will be prosecuted for robbery, auto theft and kidnapping before they are returned to Kansas, the district attorney's office reported today.

Hernando Cotton, 49, an Oklahoman, and Mrs. Martha Stachura, 27, of Wichita, Kan., were picked up for the kidnap-robbery of Anthony Travellick, 23, which they said they undertook to get just enough money "to live on."

It was after their arrest that Cotton and Mrs. Stachura told their fantastic story of how love found a way for them to use a darkened steam tunnel as a trydng place in the Kansas State Prison, from which they escaped last December.

Both were prisoners behind the same walls. Mrs. Stachura said she met Cotton, a trusty from the men's prison, while he worked as a plumber in the women's institution.

At first they were just speaking acquaintances, she said, but that soon ripened into love. Cotton arranged a code for hasty messages and occasionally, the couple would clasp hands furtively in prison corridors.

A night, Mrs. Stachura said, she would go to her cell window and light three matches to let Cotton know she loved him. From the utility room below, where Cotton worked, he would flash a light three times in answer.

Finally, she said, they arranged a secret rendezvous in the steam tunnel by messages passed through a thin gas pipe that ran from the tunnel to a storeroom behind her cell.

After the trust, Mrs. Stachura became pregnant, she said, but so she could have the child "outside the walls" they arranged to escape. One night they met in the tunnel again, then behind some welding bottles in a maintenance building for two days. When the coast was clear, they simply walked out the prison gate.

AFL-CIO Turns to Others in Rackets Sweep

WASHINGTON (AP) — The AFL-CIO Ethical Practices Committee turned from the Teamsters to the Bakers Union today in a drive to sweep corruption out of the 15-million-member labor federation.

The five-man committee called in rival factions of the 100,000-member Bakery and Confectionery Workers Union to answer charges of alleged misuse of union funds.

The committee yesterday presented the embattled Teamsters Union and its president Dave Beck with a 22-page "indictment" listing charges against Beck and a number of other national and local officers of the trucking union, which claims a 1½ million membership.

The Teamsters were given until May 24 to answer the counts or show the recognize union misdeeds and intend to clean them up.

Lucille Wall

SUPREME Forest Woodmen Circle District members meet at Hot Springs May 17 and will hear a principal address by Miss Lucille Wall of Hope, national committeewoman and state manager. Miss Wall will also address the District 1 conference at Texarkana on May 19.

Man in Auto With Body Shoots Self

JONESBORO, (AP) — A Jonesboro real estate man shot himself fatally moments after a policeman halted his automobile yesterday. Then the officer found the body of the man's brother-in-law in the car.

Authorities today tried to piece together the cause of the double shooting. The only surviving witness was a small dog in the car.

Dead were Nolan Robinson, 40, a retired grocer, and Charles B. Cartwright, 40, both of this north east Arkansas town.

Police gave this sequence of events:

Marchal Daymon Gammill of nearby Nettleton said he received a complaint about a drunken driver heading toward Jonesboro on U. S. Highway 63. He alerted Jonesboro police.

Patrolman George Stroud spotted the car, followed it to a service station and asked the driver his destination.

"I'm going to Jonesboro," the motorist replied.

Instead he drove away in the other direction.

Stroud said he turned on his siren when the driver pulled into the wrong lane of state Highway 63. He said Cartwright stopped and set the emergency brake.

Stroud said that as he approached the car Cartwright drew a .22 caliber pistol and shot himself in the head.

Then the officer found Robinson slumped in the front seat. Physicians said Robinson had been dead about 1½ hours from a bullet in his left temple.

**Judgment Trimmed
by Judge Order**

LITTLE ROCK (AP) — A proposed \$200,000 judgment for the city of Pine Bluff from a Dallas, Tex., firm was trimmed \$5,000 yesterday by Special Master Richard B. McCulloch Sr. of Forrest City.

McCulloch filed a supplement in federal district court here stating his earlier calculations contained some errors.

In a February report McCulloch had recommended that Pine Bluff should collect the money on its counterclaim suit against Lancaster Love, Inc. of Dallas.

The legal issue involved a 1½ million dollar sewer project contract.

McCulloch's report and supplement await approval by Federal Judge Harry J. Lomley.

Fast Tax Writeoff Program Costing the U.S. Billions

WASHINGTON (AP) — Secretary of the Treasury Humphrey estimated today that the fast tax writeoff program in effect the last six years would cost the government three billion dollars.

The cost, he told the Senate Finance Committee, would be in industries, but he declared the time has come to shut it off except for strictly defense items.

Humphrey said the program served the nation's security in bringing quick expansion of key industries, but he declared the time has come to shut it off except for strictly defense items.

The program permits a company to deduct from its income for tax purposes part or all of a new plant in five years. The normal period is 20 years or more.

The secretary did not seek to defend a grant of authority to the Idaho Power Co. recently to write off 65 million dollars of the cost of two dams in the Hells Canyon area of the Snake River between Idaho and Oregon.

Humphrey testified in support of a bill by Burd which would cut off the fast tax write off program except for items of direct military equipment.

The rapid amortization plan was put into effect in World War II to try to build up the nation's defense capacity, and was reactivated in 1950 after the Korean War broke out.

Fast writeoff certificates have been granted on about 22½ billion dollars of plants and equipment since 1950.

**Peace Team
Has Meeting
in Honduras**

TEGUCIGALPA, Honduras (AP) — A Latin American peace team talked until early today with Honduras' ruling military junta about troop withdrawals from the disputed Honduran-Nicaraguan border area.

The meeting with the committee from the organization of American States was held behind closed doors, but official sources said Honduras was insisting that Nicaragua pull its troops from the area of the Segovia or Coco River.

Honduras claims the river forms the boundary between the two countries, but Nicaragua claims both sides of the stream. The area northwest of the river forms the boundary between the two countries since the 19 century.

Sporadic clashes broke out in the region last week with both sides charging bombing and strafing of villages. A cease-fire has brought a halt to the fighting.

A three-man U. S. military mission arrived in Tegucigalpa yesterday from Panama to help the OAS set up air patrols to maintain peace along the border.

**Columbus to
Graduate
Group May 17**

Principal S. W. Williamson of the Columbus High School announces the Baccalaureate Sermon is to be delivered Sunday, May 12 at 3:30 p. m. by the Rev. W. M. Martin, of Lewisville.

The Commencement address is to be delivered May 17, at 8 p. m. by Professor L. M. Henry, Gurdon. The graduation exercise has been developed from the theme "The Past is Forever gone; but the Future is still our Own."

The following students will speak:

Earning a Living — Lucy Mae Cheatham.

Education is Important — Norma Jean Cheatham.

The past Foundation — Marie Yvonne Witherspoon.

**Rains Delay
Planting 3
to 4 Weeks**

LITTLE ROCK (AP) — Last month's heavy rains have caused a delay of from three to four weeks in land preparation and planting. The Crop Reporting Service said today.

The service, in its weekly crop and weather summary, said that even if the present clear weather continues it will be several days before many thousands of acres of low lands will be suitable for working.

The clear weather has improved the strawberry outlook considerably. The report said strawberry rot will diminish and the quality of berries will be better than those harvested between showers.

Berries are moving in volume from White County and the northeast Arkansas areas, and the harvest has begun in the Searcy County section.

Cotton planting is progressing well on drained land, the report said.

At Conway, County Agent J. O. Hill said that only eight acres of corn and five acres of cotton have been planted in Faulkner County. At the corresponding time last year, some 10,000 acres of corn and 14,500

Both Parties Are Puzzled by Ike

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP) — Democrats and Republicans both look like they've been hit on the head with an ax that kept on going. They're both split down the middle. For more than four years President Eisenhower has acted to win Congress as if he thought his role was to be a tranquilizer to keep it soothed and relaxed. But it seems he's fresh out of pills. He's in trouble. And he's puzzled. His Republicans are milling around, aching to eat his budget.

The two most distinguished Democratic leaders — former President Truman and would-be President Adlai Stevenson — at a party get-together here over the weekend cautioned Democrats against slashing into Eisenhower's budget.

But while they were blinking their amber light, the party's

leader in the House, Speaker Rayburn of Texas, was talking of cutting the budget by billions.

This was an echo of what Rayburn's opposite number and fellow Democrat Lyndon Johnson, the Democrats' Senate leader, has already been saying.

Southern Democrats, in an effort to kill civil rights legislation this year, have offered an amendment to the bill for a federal law to ban union shops.

But the Democrats' advisory committee, a 24-man group of Democratic leaders including Truman and Stevenson, came out against an anti-union shop amendment.

In short, there's no more unanimity in the Democratic party than there is among Republicans.

Each party has members who consider themselves liberals — a mere handful — and a big batch that come under the conservative label.

And among the conservatives of both parties are those who take a stand far to the right of Truman, Stevenson and Eisenhower. Truman's idea of dealing with Congress was to bolt the opposition on the nose. He was in constant fights with the lawmakers. Eisenhower tried tranquilizing them. He seldom fought for his programs and, by avoiding name-

'River's Edge' Is Suspense at Its Best

A suspense-filled plot of the first magnitude, a cast of Academy Award proportions and breathless background scenery never before photographed are combined in a modern day adventure drama at the Saenger theater where Twentieth Century-Fox's, "The River's Edge," starts Wednesday.

Starring Ray Milland, Anthony Quinn and Debra Paget, the Ben-Hediet Bogdanoff production in CinemaScope and De Luxe color, tells the dramatic story of three people caught in a web of suspicion, each dependent on the other for survival.

Ray Milland, Academy Award winner of "The Lost Weekend," fame, who recently scored in "Brave Men," again plays a straight dramatic role — that of a charming and persuasive con man and

callings, he avoided being called names.

Some of his programs were massed. But, by and large, in his first four years, he didn't do too badly on the total amount of legislation passed.

But now he's in real trouble. His budget seems certain to be cut. It's only the degree of the cut which is not yet clear.

He says he needs the money he's asked for. But, faced with heavy slashes, he appears uncertain what to do.

Even a White House report that he might go on radio and television to appear for public support was withdrawn.

And well it might be. Asking the public for support is a poor substitute for taking a vigorous stand with Congress and his own Republican leaders.

The five Republican leaders in Congress, Sen. Knowland of California in the Senate and Rep. Martin of Massachusetts in the House — have both publicly stated their desire for reductions in the budget.

The place for Eisenhower to put on the heat was with those two men. But, after talking with him the other day, they seemed completely unmoved in their opposition.

The budget is only one of a number of his programs which are in jeopardy.

It was predicted after Eisenhower's election victory last November that he'd lose control of his Republicans in Congress.

They kept fairly quiet in his first four years. That was when, because he could run again, he might carry the party back into control of Congress. But while he won, the party didn't.

And now, because of the constitutional ban on more than two terms, he can't win again. So he has outlived his political usefulness to a lot of Republicans.

Texarkana Woman Shot, Husband Held

TEXARKANA, (UP) — A young mother of three was still in critical condition here today after being hit by a shotgun blast in the face yesterday.

Officials at St. Michael's Hospital said Mrs. Louis Crow, 28, survived the night, but was still in a "very critical" condition.

Miller county authorities arrested Mrs. Crow's 39-year-old husband shortly after the shooting. He is being held on an open charge pending the outcome for her condition.

Pipeline From Texas to West Proposed

WASHINGTON, (UP) — The Justice Department indicated yesterday it supports a proposal to run a crude oil pipeline from Texas to the West Coast.

Assistant Attorney General Victor R. Hansen said in a letter to Sen. Joseph C. O'Mahoney (D-Wyo.) such a pipeline should be helpful in attaining and promoting competitive conditions in the West Coast had exerted influence against government approval of a new line from the permit basin in Texas to California.

O'Mahoney (D-Wyo.), who conducted the oil hearings, asked for the Justice Department's opinion on the case.

TRY IT AND YOU'LL WANT IT!

J2 ROCKET!

ECONOMY WHEN YOU WANT IT!

Here's the secret of its greater gas mileage. In the J-2 Rocket a single two-barrel carburetor serves the engine, at peak efficiency, for all your ordinary power needs.

You choose your own kind of performance — you're in economy range up to 74 throttle. Yet you enjoy famous Rocket action all the way.

POWER WHEN YOU NEED IT!

All three carburetors (in barrels) go into action automatically, whenever the occasion demands. Push your foot to the spot, and you have extra safety power on tap! When you're in the steepest grade, or out of the path of danger, here's also action for added safety in any driving situation.

OLDSMOBILE NOW OFFERS YOU THE MOST EXCITING NEW ENGINE DEVELOPMENT SINCE THE FIRST HIGH-COMPRESSION POWER PLANT!

Greater economy for all normal driving! A greater reserve of extra safety power for the exceptional situation! That's why Oldsmobile's new J-2 Rocket Engine is like two engines in one. And you, the driver, are in complete control of how you want to travel. For practically all driving needs you enjoy the fuel-saving economy of a single carburetor. Or, a touch of the accelerator just the three-quarter mark will bring two additional carburetors into use. This gives you gas-saving performance over a 50 percent broader operating range, plus a reassuring reserve of power that means added safety. If you have not already tried the J-2 Rocket, your nearby Oldsmobile Dealer invites you to come in for a drive soon. Be his guest for a J-2 test. You'll find it is a totally new and wonderful driving experience.

SOCIETY

Phone 7-3431 Between 8 A. M. and 4 P. M.

Calendar

Tuesday, May 7
The Music Festival will be held at 7:30 p. m. Tuesday May 7 in the High School Auditorium rather than in the Stadium as previously announced.

Wednesday May 8
Brookwood P. T. A. will have regular meeting Wednesday May 8 in the new auditorium at 3 p. m. The Executive board will meet at 2:30.

The John Cain Chapter of the Daughters of the American Revolution will meet at the Barlow Hotel at 12:30 Wednesday May 8 to

drive to Stephens for a tea in the home of Mrs. Walter Keith.

Paisley P. T. A. will meet Wednesday May 8 in the School Auditorium at 3 p. m. at which time officers for the coming year will be installed. The Executive Committee will meet at 2:30.

Garland P. T. A. will meet Wednesday at 3 p. m. in the School Auditorium and the Executive committee meeting is at 2:30. Rev. L. T. Lawrence will be guest speaker on the subject, "Mental Health" and installation of officers will take place.

Oglesby P. T. A. will meet Wednesday May 8 at 3 p. m. and the executive committee meets at 2:30.

Following the regular meeting Oglesby P. T. A. will honor Mrs. James F. Ward, a retiring teacher at a tea in the School Auditorium Wednesday from 4 to 5 p. m. All Parent Teacher Association members and friends are invited.

Thursday, May 9
The Adult Fellowship of the Methodist Church will meet Thursday evening at 7 p. m. for a potluck dinner. Baby sitters for small children will be provided.

The Daffodil Garden Club will meet at the First Methodist Church

Thursday at 1:30 to drive to the Arthur Gray Gardens at Ozan.

Melba Doyle, Home Economist for Arkansas Power and Light Company will give a demonstration on "Foods for the Freezer" at the Blevins Home Economics Cottage, Thursday May 8, at 2:30 p. m. Miss Doyle has worked with the Arkansas Power and Light Company for many years, and is well known in this field of work. Everyone is cordially invited to attend.

Tuesday May 14
The Lilac Garden Club of DeAnn will meet Tuesday, May 14 at 2 p. m. in the home of Mrs. Henry Burke with Mrs. Jewel Burke as co-hostess. Guest speaker will be Mrs. Horace Urrey of DeQueen. Arrangement will be Crescent and all members are urged to be present.

Notice

Game night at the Hope Country Club scheduled for Tuesday night has been postponed.

The Firemen's Auxiliary meeting has been postponed from May 7 to May 13, at which time it will meet in the home of Mrs. Doyle Yocum.

Miscellaneous Showers
Honors Mrs. Horace Williams On Saturday evening the Educational Building of the Emmet Methodist Church was beautifully decorated for a miscellaneous shower honoring Mrs. Horace Williams of Dallas, Texas, a recent bride.

Mrs. J. M. Johnson, Mrs. Tom Mathews, and Mrs. Nona Coffield were hostesses for the occasion

DOROTHY DIX

Deathbed Promise Is Better Broken

Dear Dorothy Dix: Six years ago I lost my husband and was left with two children. I made a promise to their father that I would never marry again. The children think I should keep a promise to a dying man, that it's something years old and would like a companion. The children say I owe them all my love, but when they have dates they go out, never considering whether I'll be lonely or not.

Dear Fredericka: Many promises are better broken than kept; deathbed vows, in my opinion, fall into this category. They are given and exacted under emotional stress that leaves no room for reason.

Your children, selfishly but naturally, want all your care and attention for themselves. Ask them if they intend to give you the same whole-hearted devotion they are asking.

Young people can be very self-centered, but when situations are explained to them, they're remarkably understanding. I'm sure your youngsters will react favorably if you discuss the matter seriously. I suggest that you all have a conference with a clergyman who will explain the moral obligations of a hasty deathbed promise.

Dear Dorothy Dix: I'm a girl of 18. I want to go somewhere and get a job, but my parents say I'm too young.

Dear Miserable: A girl of 18 certainly should be doing something, be it studying or working. Mom, evidently, wants to keep her little girl close to home, but she's working against nature.

If there are no job possibilities in your home town, head for the big city, armed with references, recommendations, the address of the "Y" and as much business school training as you have or can get. Oh, Mom's approval, too, of course — and that's the difficult part. Get a teacher, clergyman or relative to help you talk her into the idea.

Dear Dorothy Dix: After going steady with Albert for nine years, I have gotten the impression that he doesn't want to marry me. I

and served delicious punch and cake to the guests.

Mrs. Williams received many lovely and useful gifts. She will be remembered here as Miss Ester Merle Hickey, daughter of Mr. and Mrs. Henry Hickey of Emmet.

Circle 1 of WSCS

Meets Monday May 6
Circle 1 of WSCS of the First Methodist Church met Monday, May 6 at 1 p. m. in the home of Mrs. E. P. O'Neal for a potluck luncheon. Mrs. O. C. Sutton served as associate hostess.

Grace was said by Mrs. Edwin Ward. The luncheon was followed by a business meeting conducted by Mrs. C. V. Nunn. Many interesting discussions were conducted by the group. There were 29 members and 3 guests present. The guests included Mrs. R. B. Moore, Mrs. Virgil Kealey and Mrs. Alma Alexander. The meeting closed with the Lord's Prayer.

Births

Mr. and Mrs. Charles E. Royston of Dallas, Texas announce the arrival of a baby boy, born May 6th. Mr. and Mrs. C. E. Brooks are the maternal grandparents. Dr. and Mrs. G. D. Royston are the paternal grandparents.

Coming and Going

Mrs. J. E. May of Ozan, Mrs. John Allen and Ronnie of DeAnn and Mrs. Carl Sanders of Tatum New Mexico were Saturday visitors in the home of Mr. and Mrs. George Crews of Hope, Route 2. Mrs. Sanders is a niece of Mrs. Crews.

Hospital Notes

Branch Admitted: Mrs. C. G. Tittle, Hope.
Discharged: Mrs. L. E. Salisbury, Hope, Mr. Gib Lewis, Hope, Mr. R. S. Stone, McCaskill.

Crazy Bounce Gives Brooklyn Win Over Braves

By JOE REICHLER
Of The Associated Press

Low Burdette was mad enough today to spit. And so were the rest of the Milwaukee Braves.

The ball took a crazy bounce yesterday at the most inopportune moment, depriving Burdette of his fourth victory and the Braves of a 4-3 triumph over Brooklyn.

Instead, the Dodgers went on to win 5-4 in 14 innings to gain a split in their two-game series at Ebbets Field.

Here's what happened. The Dodgers were at bat in the 12th, trailing 4-3, two out, runners on first and second and Carl Furillo the batter.

Burdette, who had overcome a 3-0 deficit and a warning from plate umpire Lee Ballanfant after early decapitating Roy Campanella with a pitch, was getting along swimmingly. Since the first inning, when Carl Furillo smashed a three-run homer, the Dodgers hadn't come within spitting distance of a run. Burdette disposed of the first two batters easily but Gino Cimoli clubbed a double for his fourth hit.

Sandy Amoros walked on a 3-2 pitch but the game apparently was over when Furillo sent a bouncer to shortstop. Just as Johnny Logan got set to field the ball, it took a bad hop over his head and Cimoli raced home with the tying run.

In the 14th, Cimoli crashed a pitch by reliever Red Murff into the left field stands for a home run to break up the overtime tussle.

The Dodger victory went to Sandy Koufax.

In the only other game in the National League, the Chicago Cubs whipped the New York

Yerger Takes District Track Meet

The Yerger Tigers won the district track and field meet held in Nashville, Saturday, May 4. Clifford Tyus was the high point man in the Junior Division with a total of 18 points and John "Snuffy" Wilson was high point man in the Senior Division with 18 points.

Other outstanding Cinder men were James Rogers who won the mile run, Theodis Johnson in the 440 yards senior, Irvin Martin in the Junior 440, James McGill in the Junior 880, and Clifford Tyus in the junior high jump clearing the bar at 5'6". Tyus also set a new Junior broad jump record at 20' 10".

The final team results were: 1st place Yerger - 84 points. 2nd place Childress High, Nashville - 40 points and 3rd place Toltelle - 20 points 4th McRae of Prescott - 14 points.

Some Australian aborigines can live without clothes despite a temperature that drops from 80 degrees in daytime to 10 degrees above freezing at night.

Giants 6-2 to move into a seventh place tie with Pittsburgh. Young Dom Kaiser hurled a six-hitter for his first victory of the year.

Kansas City, the early season surprise of the American League, broke a three-way tie for fourth place with an 8-2 victory over Washington. Baltimore dropped Detroit into sixth place, defeating the Tigers 8-3 in 3 innings.

A six-run first inning, highlighted by rookie outfielder Jim Pisoni's grand slam homer, made it easy for Ned Garver to register his second victory with a six-hit win, lasted just one inning and was charged with his fifth setback.

Porker Golfers Lose to A&M

FAYETTEVILLE (AP) — The Texas Aggies dropped the Arkansas Razorbacks to fourth place in Southwest Conference golf competition yesterday with a 4 1/2-1 1/2 victory.

The season's closing match put the Aggies in third place. But the Porkers still are entitled to send two men to the conference golf tournament at Austin May 9-10.

Big Ten Loop Ponders Over Aid to Players

CHICAGO (AP) — Big Ten athletic leaders are divided over whether the new program of financial aid to athletes has led to wholesale raiding by outside schools.

Stu Holcomb, Northwestern athletic director, yesterday slammed the plan for large-scale raids in the Chicago area but received the backing of only three other schools — Iowa, Minnesota and Indiana.

The others — Illinois, Michigan, Michigan State, Wisconsin, Ohio could see little or no difference. The 6-4 margin is the same by which the Big Ten approved the new program last February. The plan prohibits a conference school from making a formal or valid tender of aid to an athlete until June 15. It also bases aid to athletes on proven need and financial statements from parents are required to prove such need.

"In time the plan will kill us," Holcomb said. "I am sure the rest of the conference had anticipated an invasion of recruiting forces from outside because of the new plan."

Holcomb listed the following schools as "very aggressively recruiting" in this area:

Notre Dame, Pitt, Syracuse, Stanford, Colorado, Kansas, Kansas State, Kentucky, Nebraska and all Ivy League schools — Penn, Columbia, Cornell, Yale, Dartmouth, Princeton and Harvard.

Dressen Is Surprised at Being Fired

DETROIT (AP) — Surprised almost to the point of disbelief at a published report that he is about to be fired as manager of the last-place Washington Senators, Chuck Dressen awaited the arrival today of the club's president for a showdown meeting.

Calvin Griffith was due in Detroit last night quoted Griffith as saying "something drastic" would have to be done about the Senators' situation. They have lost eight games in a row and have only four victories in the first 20 games.

"I'd have thought Calvin would have notified me if he planned to discuss something like that," said Dressen, 50, who piloted the Brooklyn Dodgers to a pair of National League pennants.

"The whole thing comes as a shock to me," he said after hearing that the Washington Post and Times Herald said it as "learned that Griffith's plan for drastic action includes the dismissal of Dressen and the promotion of one of the team's coaches, Billy Jurges or Cookie Lavagetto, as manager with temporary status."

Dressen said he hasn't talked with the club's president last Saturday.

"We were pretty close to swinging a couple of player deals then," Dressen explained, "but they fell through. These other clubs won't give us anything but they'll take the four or five real solid players our club. Hell, the rest of these guys are trying to get us to finish 10th in an eight-team league."

The report from Washington said Griffith was prepared to offer Dressen a post as assistant to the president.

Small budgets love big Fords

You don't have to be rich to enjoy fine-car luxury. The new kind of Ford is America's lowest-priced* big car . . . yet it offers the beauty, V-8 GO and luxury ride of cars costing far more!

If you love big-car performance you'll love our '37 Ford.

If you love thrif you'll love our '37 Ford.

No car ever before has offered such perfect blending of big-car luxury and small-car price.

Once you take the wheel, you'll discover how the "Inner Ford" gives you the kind of ride you have experienced before only in cars costing far more.

You'll find its advanced-design chassis and lower center of gravity let it corner as if it were on rails . . . that its engine is as responsive and nimble as a polo pony. Six or V-8 the going is great!

But even though this Ford handles like an expensive car, it's still priced Ford-low. In fact, model for model right across the board, Ford is the lowest priced of the low-price three!

Ford is worth more at trade-in time

And when you go to trade your Ford for a new car, you'll find that Ford's traditionally high resale value makes it worth more at that time, too.

Why not come in and Action Test this fun-lovin', budget-lovin' Ford? Why not come in today?

The new kind of

FORD

Lowest priced of the low-price three!
